Information about your managing officials

Community Development Foundation (CDF) upholds high moral standards regarding the conduct of its employees, partners, suppliers, and other service providers. As discussed in part 2.3 below, one of these standards is a condemnation of terrorism and a commitment that no funds or other resources will be used to support terrorist or terrorist activities in any way. Not only is this standard an integral part of how

Community Development Foundation (CDF), but it is also an expectation of our institutional donors and banks that we screen our suppliers and service providers against lists of known and suspected terrorists on a regular basis.

For this reason, we are required to collect certain information about the relevant decision makers of each supplier. In particular, we request information about your top 4 managing officials (e.g., executive board members, managing directors, or heads of department). Generally, these are the individuals listed on your company's registration document. If your company has fewer than 4 managing officials, please provide details for all of your managing officials and let us know this fact when submitting the form.

The data collected below will only be used for comparison with freely accessible international sanctions lists published on the internet and will be protected in accordance with applicable data protection laws. If you have any questions how your data will be processed or stored, please talk to your contact at Community Development Foundation (CDF) or send an email to info@cdfsinh.org.pk
